Hi Emily,

Please see the email below. I'm guessing it just needs to be added in the drop down for Texas County.

Thanks,
Carrie

I had meant to mention this to you last month and forgot. When I go to enter people into the new database and they live in Texas county I can't enter the town of Cabool and that is the main town we serve in Texas county. It does not give me option of Cabool. What do I need to do?
